

Welcome to our church family! We are so blessed that you have chosen to worship with us today. God is up to some amazing things here at The Praise Center, and I am excited that you are here to be part of it. If you are one of our guests, I would like to meet you personally after today's service. Please allow one of our Care Ministers or Ushers to escort you to my Study.  
I look forward to meeting you and your family!
